Director's Message

I am glad to know that Dnyanjyot Shikshan Sanstha's **GEMSTONE WORLD SCHOOL** is giving glorious service in the field of education and brought out its school magazine 'INSPERIA'. I wish to congratulate all the team of the school staff that they have such kind of positive attitude and they are ready to make available the space for all round development of students as well school.

Gemstone World School has always been conscious of its desire to contribute to the ever building community through initiatives involving social services and education. A school is really inspiring to a child for the lifetime love of learning and knowledge and providing the foundation for all - round development and excellence in every walk of life. This idea of 'INSPERIA' ignited us at Gemstone World School as 'A journey of thousand miles begins with one small step . ' Our motto " New Generation School " was carefully thought to portray the development of new generation children . It's very interesting that the school is keeping pace with national and international and all time as well all types of experience through the magazine. We look forward to offering our students educational values that are more authentic, relevant and technologically connected.

I am sure that the school would continue to make a significant contribution in educating the students in such a manner so that they could face the future challenges in upcoming life

I congratulate all the staff and the students for the commendable achievements .This is the result of dedication and hard work done by the school which have led the school towards greater heights of glory

With best wishes

MR.BABASAHEB G. BAYAS

President, Dnyanjyot Shikshan Sanstha

Expert's Talk

Students are the future of our nation. They are referred to as the next generation of leaders who will make a difference in the world. Dear Students stay positive, work hard, and success will be knocking on your door. Have faith in yourself. There are no shortcuts to any place worth going.

If you have passion, you will reach your goals in life. Always know that your work and efforts are appreciated. Also, know that you will be rewarded for your hard work. Keep it up that way! Keep trying to impress yourself and everyone around you with your abilities. Try to lead yourself in difficult situations; it will build your strength as well as mental stability.

We know a student's life is always difficult to study but make it a habit and passion along with curricular and extracurricular activity for physical as well as mental fitness. Try to keep in mind don't believe on taking right decision take decision and then make then right I wish Good luck.....

NEP 2020 Experiential Learning Through Outdoor Visit

Visit To Newspaper Office

On the occasion of Journalist Day students of Gemstone Word School visited the printing press of Dainik Duniyadari newspaper to understand Journalism - the fourth pillar of democracy. This activity implemented by the school is being appreciated from all levels, the district editor and head of the newspaper Mr. Dhapate Patil sir as well as the president of the Dnyanjyot Education Society Hon. Bayas Sir guided this activity with special attention....

Visit At Kalash Seeds / Beej Sheetal

Along with academic knowledge, Gemstone World School focuses on holistic development of students. For this purpose, the school conducts various activities and co-curricular activities for students under the guidance of experts. Among these, the school organizes School Excursion (outdoor visit) to increase the knowledge of the students by giving them a real experience of various matters.

Gemstone World School students made a small effort to increase their knowledge of vegetables, different types of crops and agriculture by planning a visit to Kalash Seeds. Here, the students learned about different types of vegetables, crops, their types, seeds, how and where vegetables seeds are made.

Gemstone World School not only imparts book knowledge to the students but also introduces them to what they need in the age of competition for holistic development of the students.

The background features a light green to yellow gradient. On the left side, there are overlapping, semi-transparent shapes in shades of orange, red, purple, and blue, some containing circular patterns. In the upper right corner, two paper airplanes are depicted: one is yellow and the other is green. The main text is written in a black, cursive script and is underlined with two parallel black lines.
